Completion of this form does not signify participant status on NASDAQ OMX Europe ("NEURO"). You will be required to complete additional documentation for participation, which is available on our website at <http://www.nasdaqomxeurope.com/Participation/>. When using the test environment, you acknowledge that testing services are provided "as is" with all faults, and that NEURO makes no warranties with respect to the service and the data provided through it. You are solely responsible for adequate protection and backup of company data used in connection with the service. In the production environment, the automatic cancel feature is offered through FIX implementation. You understand that this feature is offered on a best efforts basis and there is no guarantee that it will be error free or operate without interruption. In the event your connection is disconnected you are nevertheless required to call the NEURO Market Operations Desk at +44 20 7065 8170 to get order status. NEURO, its affiliates and personnel (including contractors) shall not be held liable for any loss, delay, damage or injury (including any indirect or consequential loss whatsoever, economic loss, loss of opportunity for profit or loss of data), whether it could have been foreseen or not, arising from NEURO providing access to the test environment or use of the automatic cancel feature. Port fees can be found on our website at http://nasdaqomxeurope.com/Participation/Fee_Schedules
